

# SENTIDO

**SENTIDO GALOMAR** ++++  
Madeira, Portugal

## HIGHLIGHTS

The Sentido Galomar is located on Madeira's coast and is Madeira's first hotel to be entirely powered by renewable energy. The Adults only hotel was reopened in summer 2018 and has a bright and modern design with sustainability in mind. Guests have access to a seawater pool, a luxurious spa area with panoramic sea views and a lido – a private access to the sea and the Garajau underwater nature reserve. Another highlight is the Atlantis restaurant, where guests can enjoy the beautiful sunrise over the sea during breakfast.
