ananea

ananea – slow glamour

With their casual elegance and mediterranean minimalism, ananea hotels stand for pure lifestyle. Inspired by the surrounding landscape and the local culture, each hotel has been furnished with great attention to detail. This is particularly evident in the extraordinary architecture and the stylish use of natural materials typical of the country. Time with like-minded people, the well-being of body and mind and exquisite healthy traditional local cuisine are the focus of the ananea hotels, where you simply feel at home.

Calimera – Have a nice day

Calimera – that's a family holiday with everything that goes with it: laughing, playing, relaxing and enjoying together. In the Calimera hotels, people meet at large community tables or in the "Beach Community Hub", a chill-out area on the beach.
