

SENTIDO

SENTIDO - RECREATION FOR ALL SENSES.

The high-quality Sentido hotels are characterised by modern architecture combined with local design elements, healthy cuisine and spa and wellness facilities.

Holiday at last! Time to immerse yourself in a world that offers recreation for all the senses. Where the eyes are enchanted by architecture and design. In hotels that impress with high-quality facilities, stylish ambience and loving details. Where relaxing music mixes with the sound of the waves, the smell of holiday is in the air and the palate is pampered all day long. Where the sun caresses the skin and sports and wellness facilities let you feel life with every fibre. And that makes you want more. Sentido again and again.
